

THE WORLD : : TYPE-WRITER.

Price \$8.00 :-

The necessity to private as well as public life for expeditions and legible writing, has stimulated interest in the typewriter. It is the most useful and convenient of all the modern inventions, and its use is becoming more and more general. It is the only machine which would take the place of hand writing. It is the only machine which would take the place of hand writing. It is the only machine which would take the place of hand writing.
